SUMMARY

As a student pursuing B.Tech in Computer Science and Engineering at GITAM College, I am passionate about exploring the exciting and constantly evolving world of technology. With a keen interest in Cyber Security and Web Development, I am committed to developing my skills and knowledge to contribute to the field.

Throughout my academic career, I have focused on building a strong foundation in computer science and engineering, gaining expertise in Cyber Security and Web Development. I am excited to connect with other professionals in the field of computer science and engineering, and am eager to learn from those who are making a difference. Thank you for taking the time to review my profile, and I look forward to connecting with you.

EXPERIENCE

Salesforce Developer
SmartInternz   **April 2023 – Present, India**

SmartBridge and Salesforce have joined forces to establish a Virtual Internship Program designed to upskill students with the necessary knowledge and skills to excel in the job market and navigate the Salesforce ecosystem. The program aims to foster proficiency in the Salesforce domain, enabling them to become experts in this field.

The program will be delivered with edtech company SmartBridge
Educational Services Pvt. Ltd. through their career readiness platform – SmartInternz
The program is open to all the students who will be joining the workforce in the next 2 years
along with students who graduated in the last two years. The virtual internship will be 8 weeks
long, and those who complete the virtual internship and meet the criteria will be given
completion certificates.
